

## Components

- rigid aluminum framework, profile 30 x 30 mm
- micro annular gear pump mzs-6355 / mzs-7255
- filter F-MI2-T
- Coriolis flow meter with integrated controller
- closed loop flow control
- optional check valve (not shown)
- push button display for local control
- set point 0-10 V or 4-20 mA and RS-232
- pump interface RS-232
- tubing OD 6 mm
- dimensions: 350 x 266 x 270 mm
